

NOTICE OF POSTING TO THE ENVIRONMENTAL REGISTRY

By Grey Highlands Nominee (No. 1) Ltd. to Engage in a Renewable Energy Project

Project Name: Grey Highlands Zero Emission People

Project Location: The Project will be located entirely within the Municipality of Grey Highlands, Ontario.

Dated at: The Municipality of Grey Highlands, the 20th of December, 2013.

Grey Highlands Nominee (No. 1) Ltd. on behalf of Grey Highlands Wind Development Joint Venture (a subsidiary of Capstone Infrastructure Corporation) is planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval is required. The proposal to engage in the Project and the Project itself are subject to the provisions of the *Environmental Protection Act of Ontario* (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with Section 15 of the Regulation following posting of the Project on the Environmental Registry.

Project Description and Documents for Public Inspection:

Pursuant to the Act and Regulation, the facility, in respect of which this Project is to be engaged in, is considered to be a Class 4 wind facility. If approved, this facility would have a total maximum name plate capacity of 10 MW and consist of 5 wind turbines. The Project would also include access roads, electrical collector lines and a substation. The turbines and associated infrastructure is to be contained within Part Lot 30, Concession 5; Lot 30, Concession 6; Lot 31, Concession 6; and Lot 34, Concession 5, in the former Township of Osprey, in the Municipality of Grey Highlands, Grey County, north of the village of McIntyre, Ontario as depicted in the adjacent map. The applicant has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Copies of the supporting documents have been made available for public inspection at:
www.greyhighlandszepwindfarm.com

Environmental Bill of Rights 1993:

A proposal for a Renewable Energy Approval in respect of this renewable energy project has been posted on the Environmental Registry (www.ebr.gov.on.ca; Registry Number: 012-0683) referred to in Section 5 of the *Environmental Bill of Rights, 1993*. Comments in respect of the proposal may be submitted to the Director. All comments received prior to February 14, 2014 will be considered as part of the decision-making process by the Ministry of the Environment if they are submitted in writing or electronically using the form provided in the Environmental Registry notice.
