

NOTICE OF FINAL PUBLIC MEETING
To be held by Grey Highlands Zero Emission People LP regarding a
Proposal to Engage in a Renewable Energy Project

Project Name: Grey Highlands Zero Emission People
Project Locations: North of McIntyre, Municipality of Grey Highlands
Dated at the Municipality of Grey Highlands this the 22nd of August, 2012

Grey Highlands Zero Emission People LP is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in the project and the project itself is subject to the provisions of the *Environmental Protection Act (ACT)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

Meeting Location:

DATE: Thursday, October 25, 2012
TIME: 5:00 pm to 8:00 pm
PLACE: Osprey Community Hall, 494196 Grey Road 2, Maxwell, Ontario

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which this project is to be engaged in, is a Wind Facility Class 4. If approved the facilities of Grey Highlands Zero Emission would have a total maximum name plate capacity of up to 10 MW. The project location is described in the map below.

Documents for Public Inspection:

The Draft Project Description Report titled *Grey Highlands Zero Emission People Project Description Report DRAFT* describes the projects as consisting of up to 5 wind turbine generators. This project includes wind turbine foundations, gravel access roads, below ground and above ground electrical collection system, substation to connect to Hydro One power line, and temporary construction work spaces. A written copy of this report will be made available for public inspection by August 24 at the Flesherton Public Library (101 Highland Drive, Flesherton, ON N0C 1E0) and on the project website: www.zeroemissionpeople.com.

Further, the applicant has prepared the following documents in order to comply with the requirements under subsection 16 (5) of O. Reg. 359/09:

- Construction Plan Report
- Decommissioning Plan Report
- Design and Operations Report, including: a Site Plan; Cultural Heritage Assessment Report; Shadow Flicker Report; Communications Impact Assessment; and Archaeological Assessment Report
- Natural Heritage Assessment Reports, including:
 - Records Review
 - Site Investigation Report
 - Evaluation of Significance Report
 - Environmental Impact Study
- Water Bodies Assessment Report
- Water Bodies Impact Assessment
- Wind Turbine Specifications Report

Written copies of the draft supporting documents will be made available for public inspection on August 24, 2012 at the Flesherton Public Library and on the project website: www.zeroemissionpeople.com.
