

Feedback Form

Engaging with stakeholders during the early stages of project planning is essential for ensuring the proposed Amherst 2 Wind Farm expansion project delivers the highest benefits for the local community with minimal adverse impacts. Capstone greatly appreciates your time and consideration to provide us with feedback and is committed to addressing any concerns raised to achieve the best design and operation of the proposed facility.

We appreciate that giving feedback online isn't for everyone. This form and a postage paid return envelope have been provided as an alternative to submitting comments through the project's virtual open house and online consultation portal (which can be accessed at www.amherst2windfarm.com/openhouse).

Feedback is welcome at any time, however, if you would like your feedback to be included in the consultation record and project plan for Capstone's upcoming bid submission for the Project into the Nova Scotia Rate Based Procurement for new renewable energy supply underway, **please complete this form and return to Canada Post by April 22, 2022.**

Q1. Do you reside or own land in the general area of the proposed Amherst 2 Wind Farm project?

- Yes
- No

If "yes", please provide the PID(s), address, or community name:
